

Please join us for an

Open House Weekend

at Gaitway Farm

Experience the Rocky Mountain horse up close
and in person using Natural Horsemanship!

May 22nd 10 AM to 4PM

Natural Horsemanship Clinic May 23-24

**Rockies are famously known for their calm disposition,
people orientated nature and their smooth natural gait.**

Learn all about the breed, its history and the many versatile disciplines:

Show Ring ♦ Trail Riding ♦ Gaming ♦ Endurance

We believe that Natural horsemanship is key to a safe long term relationship with your horse.

Natural Horsemanship techniques will be demonstrated through out the day and we welcome you to take on a turn on one of our horses.

This is also an excellent opportunity to Try before you buy if you are in the Market for a riding horse! We have many horses available for purchase

The best part is that all our horses come with a manual and a professional natural horsemanship trainer to guide you along! Meet and work with Richie Wingfield, nationally known for his incredible Natural horsemanship techniques.

Consider participating in our up coming clinic! If you choose to ride one of our horses for sale and you purchase a horse from us we will refund your cost of the 2 day clinic. This is a value of \$450.00 and is priceless in the skills and knowledge you will learn from Richie! Clinic dates are May 23-24 sign up now or for more details contact Julie at 715-571-2324 or by email at neidertj@gaitwayfarm.com
